DASH technologies

Your Partner in Digital Innovation

Main Offering

o **Intelligent Connectivity - OT/IT Comprehensive Solutions**

o **Smart Energy**

o **Digitalization, IoT, and Smart Cities**

❝ Our Mission

It is to enhance key industries with advanced, cost-effective technologies, ensuring safe and efficient outcomes through AI and data-driven systems. Committed to innovation and excellence, DASH Technologies is proud to contribute to Saudi Arabia's Vision 2030, driving digital transformation and fostering innovation across critical industries.

Intelligent Connectivity - OT/IT Comprehensive Solutions

- **Routers and Gateways**
- **Industrial Ethernet Switches**
- **Industrial Wireless Solutions**
- **Industrial Media Converters**
- **Modems and Access Points**
- **Connectivity Infrastructure**
- **Remote Management System**

ROUTERS
5G / 4G / Ethernet & Wireless / Outdoor

GATEWAYS
5G / 4G / NB-IoT / Serial interfaces

ETHERNET SWITCHES
PoE+ / Managed / Ethernet

MODEMS
2G / 3G / 4G

ACCESS POINTS
Wi-Fi 4/5 / PoE-in / Fast roaming / Wireless Mesh

IIoT Gateways Compact, Industrial-grade, High Scalability

aws / Microsoft Azure   SCADA / MES

☑ Protocol Conversion
☑ Cloud Connectivity

☑ Flexible I/O Extension
☑ Edge Intelligence

LinkedIn Profile

Smart Energy

- **Energy Management Solutions**
- **EV Charging Solutions**
- **Power Quality**
- **PV SCADA**
- **Battery Energy Storage Systems**

Digitalization, IoT, and Smart Cities

- **SCADA and Platform Integration**
- **AI-driven predictive maintenance systems**
- **Smart Buildings and Facilities Applications**
- **Smart Car Parking Camera System**
- **Camera Boxes Solutions**

- **Tunnel Management Solutions**
- **Industrial PCS**
- **RTUs, PLCs, Data Loggers**
- **IoT Applications for Irrigation**
- **Environmental IoT Applications**
- **Inventory Management**
